

Ryusui-Ryu Martial Art Schools

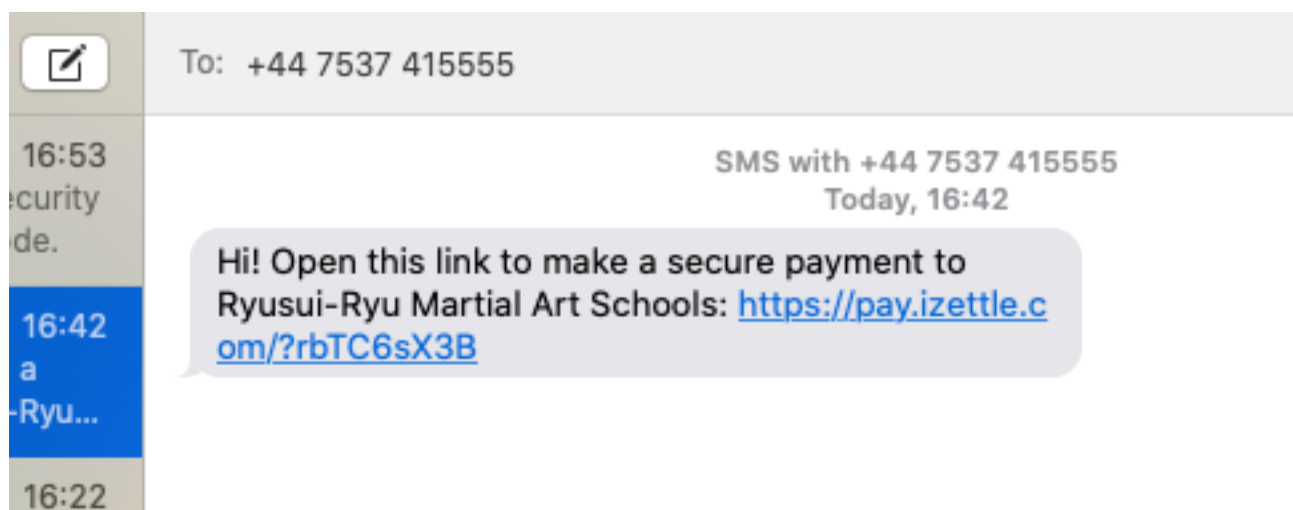

Payment by Credit/Debit Card

We can accept card payments remotely by our payment collection service Zettle. If you opt to pay by card, rather than by standing order or bank transfer, then we will send you a link, via SMS, which you then click to make your payment. The advantage of this is increased security as you do not have to provide us with your card details and at no point do we see or have access to your details.

The process is as follows:

1. You will receive an SMS message every month (for mat fees) or yearly (for your membership).

The message will look like this:

2. Click the link. This will take you to a secure payment area where you can make your payment.
3. You will receive confirmation via an email receipt.

Thats it

If you have any questions please don't hesitate to contact us. 07976 444653.

Thanks
