

# Ryusui-Ryu Martial Art Schools

## Referral Program Refer a Friend and Earn Payback

Dear Student/Parent

Welcome to our referral program for Ryusui-Ryu Martial Art Schools. Bring your friends and family along to try a couple of sessions with us and receive rewards for your support. You must be a fully paid up member of the club in order to qualify.

### **How it works**

**Invite your friends or family:** All students can request a VIP Guest Passes either from HQ or their instructor at any time.

**Bring your friend along:** The pass will entitle the Guest to 2 consecutive training sessions at your club. These will be completely free of charge with no further obligation to continue. Just complete the pass with your friends name along with your own name and membership number. Date the pass when issued and hand it to your friend.

**Support your friend:** Come along to the training sessions with your friend and make them feel at home by introducing them to your fellow students. Explain a little about the etiquette required and what's generally involved in a training session.

**Get your rewards:** You will be entered into the yearly December draw for every friend who redeems a VIP Guest Pass. If they also participate in the taster course and then go on to become a member you will also receive a gift voucher to put towards club purchases. Gift vouchers can not be redeemed for cash.

**Run out of cards:** If you have a friend who would like to come along then just request a new VIP Guest Pass from your instructor or call HQ and we will send you one.

[Your friend will also be entitled to a reward as well if they become a member](#)

## **The Rewards**

Discounts and rewards for both you and your friend

- All VIP Guest Passes that are redeemed will go into a yearly draw (December) for 2 prizes of a years free membership. Winners will be issued a membership voucher that they can redeem when they receive their membership renewal reminder.

If your friend or family member goes on to join the club:

- You will receive a £5 gift voucher that can be cashed against membership, seminars, Club T-shirts, badges or private tuition fees.
- In addition your friend or family member will also receive a 20% discount off of their first years membership.

All draw entries and vouchers will expire if your membership lapses

**Everybody wins**

## **What to do Next**

Ask your instructor, or call HQ, and get your VIP Guest Passes. Talk to your friends and tell them about our club and the benefits of our training program. Get them to visit our website, and facebook page, for more information about us and what our particular style involves. Once you identify an interested friend or family member complete the details on the back of the VIP Card and hand it to them. Then arrange a date for them to attend 2 sessions at your club; you might want to offer to bring them along and introduce them to everyone. Your friend should bring their VIP Pass to the session and hand it to the instructor to claim the two free sessions.

**Help To Support Your Club & Share The Experience**
